

- Rugged exterior evokes the look and feel of naturally weathered stone
- Rear lips ensure precise setback and eliminate the material and labor costs of connectors
- Made of durable concrete that does not attract pests and is resistant to decay and fading

The RockWall retaining wall system brings an unmatched sense of permanence to any home landscape. Durable, easy to install, and attractive, RockWall system blocks can be configured in a variety of ways to create different wall aesthetics, including multiheight ashlar patterns, that naturally flow with your landscape's contours. The RockWall cap adds a finishing touch without cuts, creating a flawless professional appearance.
