The strength of a national company with local customer service.

Pavestone Company began in 1980 with one manufacturing facility in North Texas. From the beginning, we dedicated ourselves to delivering the greatest selection and the highest quality of segmental concrete systems available in the U.S. Our pave stones, retaining walls, edgers, patio stones, and erosion control systems transform landscapes into beautiful dreamscapes. Today, Pavestone brand products are manufactured in 16 state-of-the-art facilities delivering to more than 40 states. Thank you for choosing our products to add beauty and value to your landscape.

Find our latest product information at www.pavestone.com

WHAT WILL YOU CREATE?

*Forward***We wrote the book on creating elegant outdoor living spaces.**

Inside its pages you will find beauty, strength, durability and functionality. But our book is not just about us. Your project is one of the stories that we are proud to include in its pages. Let us help you construct outdoor living spaces that invite people to come outside to relax or entertain in natural settings that preserve the Earth. Tell a story that lends a feeling of warmth and serenity to the atmosphere and creates a lifestyle that is one-of-a-kind. The sky is the limit. You have unlimited potential to compose that story. What will you create?

*Chapter One***Pavers****Does your story tell of the stately look of old yesterday or of a contemporary flair?**

The possible applications for pavers are only limited by your imagination. Maximize your outdoor living experience with a design that is all your own. Create a scenic walkway in a beautiful downtown park. A variety of hues and textures allow you to have unlimited possibilities to both complement and enhance the natural beauty of any surrounding while being friendly to the environment. From palatial outdoor entertaining areas to pool decks with a relaxing spa-like feel, you can count on unsurpassed strength and flexibility. Concrete pavers can withstand the forces of weather, water, and traffic. Plus, they are especially designed to withstand freeze-thaw conditions making them a good choice for cool, as well as, warm climates. Your design project will be as beautiful years from now as it is the day it is installed, telling your story again and again.

“The environment is where we all meet; where we all have a mutual interest; it is the one thing that all of us share. It is not a mirror of ourselves, but a focusing lens on what we can become.” - Lady Bird Johnson

PERMEABLE PAVER COLLECTION

ECO PAVESTONE[®]
Eco-Friendly Paving Solutions

The Next Generation of Permeable Paving Solutions

Who says it has to be industrial-looking?

Performs as a structural pavement.

Reduces or eliminates stormwater detention.

Provides 100% pervious surface.

Infiltrates, filters, and decreases stormwater runoff rate and pollutant loads.

Increases site infiltration that helps maintain pre-development runoff volumes, peak flows, and time of concentration.

Eco-Priora™

Concrete Paver Environmental Systems 80mm

Pavestone Eco-Priora™ is produced in a 120mm x 240mm rectangular module that is 80mm in depth with a patented interlocking joint and a micro-chamfered top edge profile.

The unique Eco-Priora™ joint profile allows surface water to infiltrate into the pavement and its sub-layers. With initial permeability average flow rates of over 100 inches per hour, the Eco-Priora™ product, even with a clogging factor, will still meet the majority of current stormwater management plans (SWMP).

Custom Paver Collection
Product Number: 699 80mm = 3 1/8" H

Eco-Venetian Stone™

Concrete Paver Environmental Systems 80mm

Modular square and rectangle shapes, an attractive cleft surface, and a non-industrial aesthetic set it apart from other permeable pavement treatments.

The larger scale of the Eco-Venetian Stone™ lends itself to stately residential settings and more expansive commercial applications.

Custom Paver Collection
Product Number: 689 Combo 80mm = 3 1/8" H

Grasstone™ II
80mm

Grasstone™ II is a multi-functional product that can be used for slope surface stabilization and emergency vehicle access.

The honeycomb shape allows grass and other vegetation to grow, while making the slope, trail or field area a more stable surface for occasional heavier duty loads.

QUICK Ship Paver Collection
Product Number: 189 80mm = 3 1/8" H

InfiltraStone™
Concrete Paver Environmental Systems 80mm

InfiltraStone™ is a permeable pavement application, offering unique advantages over traditional pavements.

Finished installations of the InfiltraStone™ provide a matrix of surface openings designed to capture a percentage of surface water runoff and infiltrate it to the drained paving section. The end results are attenuation of runoff, increase in water quality, and mitigation of pollutant impact on the surrounding environment. Paving design, material selection, and drainage combine to make InfiltraStone™ a potential Best Management Practice for EPA compliance requirements.

Custom Paver Collection
Product Number: 609 80mm = 3 1/8" H

QUICK SHIP PAVER COLLECTION

Holland Stone
60mm

With the renowned durability of interlocking pave stones, Holland Stone offers the old world charm of a simple paver shape.

The rectangular shape can be installed in a number of fascinating patterns to produce simple or intricate designs.

Product Number: 217 60mm = 2 3/8" H

Venetian Stone™
60mm

The Venetian Stone™ product advent is the latest development in enhanced pavements.

Its uniquely attractive cleft surface sets it apart from other pavement treatments. This texture resembles old world charm and invokes a traditional convention. The Venetian Stone™ modular pattern equalizes the scale of any project and is fitting to most architectural elements.

Product Number: 267,269,270 60mm = 2 3/8" H

Plaza Stone Rectangle & Square

60mm

A timeless paving stone with an impressionistic embossed surface profile, the Plaza Stone series provides an array of stone shape options.

Available in many colors, choose Plaza Stone in standard Series finish to deliver unlimited design possibilities.

Product Number: Rec. 606, Sq. 646 60mm = 2 3/8" H

ADA Compliant Paver

60mm

The preferred paving alternative to typical ADA compliant surfacing, Pavestone's ADA Paver features truncated domes.

The domes are designed to alert pedestrians and, in some applications, motorists of potentially dangerous situations.

Product Number: 200 60mm = 2 3/8" H

CUSTOM PAVER COLLECTION

City Stone™ Series I
60mm & 80mm

Available in a variety of finishes, the City Stone™ Series brings scale and dimension to architectural settings.

City Stone™ can be used alone or in combination modules of symmetrical squares and rectangular shapes to create extraordinary patterns, as well as endless designs.

City Stone™ Series is available in seven (7) sizes.

City Stone™ Series I

Product Number: 287 60mm = 2 3/8" H
Product Number: 289 80mm = 3 1/8" H

City Stone™ Series II
60mm & 80mm

Rectangle Only

Product Number: 297 60mm = 2 3/8" H
Product Number: 298 80mm = 3 1/8" H

1/2 Sq. & Sq. Bundled Together

Product Number: 296 60mm=2 3/8" H
Bundled Together

City Stone™ Series III, IV, & V
60mm & 80mm

City Stone™ Series III

Product Number: 277 60mm = 2 3/8" H
Product Number: 279 80mm = 3 1/8" H

City Stone™ Series IV

Product Number: 213 60mm = 2 3/8" H

City Stone™ Series V

Product Number: 257 60mm = 2 3/8" H
Product Number: 259 80mm = 3 1/8" H

Cobble-Stone 3-Way 60mm

Imparting classic, European elegance to paved areas with its old world design, Cobble-Stone offers unique design possibilities.

With rounded edges, the natural stone look is available in rectangular and square pave stones. Cobble-Stone can be used in various combinations for an array of exciting pattern designs.

Product Number: 423, 423T 60mm = 2 3/8" H
AVAILABLE IN STANDARD OR HERITAGE™ FINISH

DecoraStone™ 60mm & 80mm

A worldwide favorite for many years, DecoraStone™ combines two distinct shapes in one pave stone for a classically elegant pattern.

Timeless in its appearance and equally attractive in contemporary or traditional settings, DecoraStone™ creates a beautiful, durable, and virtually maintenance-free surface for a wide array of paving projects.

Product Number: 156 60mm = 2 3/8" H
Product Number: 158 80mm = 3 1/8" H

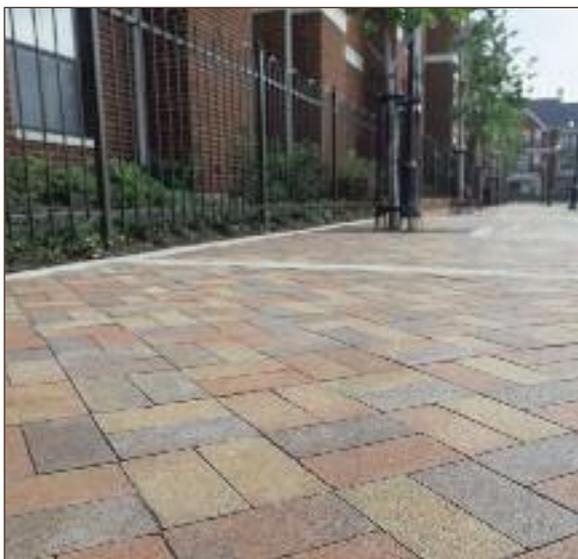

Holland Stone 45mm, 60mm, & 80mm

The thin profile version of the very popular Holland Stone is perfect for residential and commercial non-vehicular applications.

The stouter 60mm & 80mm thickness are suited for vehicular traffic of driveways and streetscapes.

Product Number: 217T 60mm = 2 3/8" H
Product Number: 220, 220T 45mm = 1 3/4" H
Product Number: 219, 219T 80mm = 3 1/8" H
AVAILABLE IN STANDARD OR HERITAGE™ FINISH

Holland Stone Parkway™ Series
60mm & 80mm

The Holland Stone Parkway™ Series pavers capture the timeless elegance of simplistic design. Straight, defined edges are unique to this paving stone.

The finish is renowned for its captivating fine gradient texture, bright color presentation, and endurance. Its rectangular appearance is simple, yet capable of meeting the creative and aesthetic demands of architects and designers.

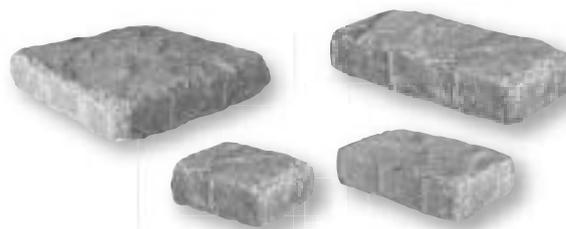

Product Number: 237 60mm = 2 3/8" H
Product Number: 239 80mm = 3 1/8" H

Venetian Stone™
60mm & 80mm

The Venetian Stone™ product resembles old world charm and invokes a traditional convention. Its uniquely attractive cleft surface sets it apart from other pavement treatments.

The 80mm thickness is suited for heavier use in driveways, streetscapes and industrial settings.

Product Number: 267T, 269T, 270T 60mm = 2 3/8" H
Product Number: 247, 247T, 248, 248T, 249, 249T 80mm = 3 1/8" H
AVAILABLE IN STANDARD OR HERITAGE™ FINISH

Plaza Stone Rectangles & Squares
45mm, 60mm & 80mm

Pedestrian projects such as patios, walkways, pool decks, and courtyards can be enhanced with the use of Pavestone's thinner profile concrete pavers. The 80mm thickness is suited for use in driveways, streetscapes, and industrial settings.

Available in many colors, choose Plaza Stone to deliver unlimited design possibilities.

Product Number: 612,612T,642,642T 45mm = 1 3/4" H
Product Number: 606T, 646T 60mm = 2 3/8" H
Product Number: 607,607T, 648, 648T 80mm = 3 1/8" H
AVAILABLE IN STANDARD OR HERITAGE™ FINISH

Plaza Stone Combo Muster K
80mm

Pedestrian projects such as patios, walkways, pool decks, and courtyards can be enhanced with the use of Pavestone's profile concrete pavers.

Available in many colors, choose Plaza Stone in standard finish to deliver unlimited design possibilities.

Plaza Stone Combo Muster K Product Number: 639 80mm = 3 1/8" H

Plaza Stone Giant
60mm

Installed alone or in combination with the variety of other Plaza Stone shapes, the expanded dimensions of the Plaza Giant paver adds visual drama to larger outdoor spaces.

Plaza Stone is available in many colors to accommodate the most discriminating tastes and desires.

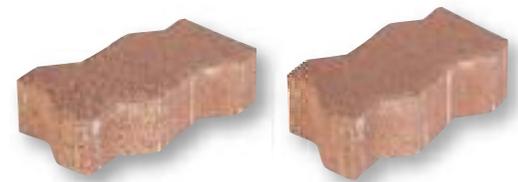

Product Number: 649, 649T 60mm = 2 3/8" H
AVAILABLE IN STANDARD OR HERITAGE™ FINISH

Maxlock™
60mm & 80mm

The industry's original interlocking shape, Maxlock™ has been used internationally from heavy industry applications to beautiful residential projects for over thirty years.

Maxlock™ has proven over time to be one of the most popular and best performing shapes in the marketplace.

Product Number: 116 60mm = 2 3/8" H
Product Number: 118 80mm = 3 1/8" H

Villa Stone™ I Series
80mm

Four distinct shapes modulate together to create a random variety of design possibilities in the Villa Stone™ I Series.

The embossed surface textures are increasingly more popular in architectural paving material.

Product Number: 400, 400T 80mm = 3 1/8" H
AVAILABLE IN STANDARD OR HERITAGE FINISH

Vintage Stone™ Series
60mm

The Vintage Stone™ product mixture delivers scale, color, and modular design options for a unique pavement expression.

The truly random pattern of Vintage Stone™ expands an infinite number of impression possibilities making it one of the most popular design tools for pavement today. The Giant Vintage Stone™ opens up the scale for more elegant designs.

Product Number: 280, 280T, 282, 282T, 291, 291T, 292, 292T 60mm = 2 3/8" H
AVAILABLE IN STANDARD OR HERITAGE FINISH

Symetry™
60mm & 80mm

Enjoy unlimited design possibilities with the innovatively shaped Symetry™ pave stone and its coordinating square.

The assembly of shapes furnish endless patterns configurations. This potpourri of patterns enables the designer to implement signature designs into their projects with a most unique, creative and formal appearance.

Product Number: 656
60mm = 2 3/8" H
Product Number: 658
80mm = 3 1/8" H

Product Number: 666, 666T 60mm = 2 3/8" H
Product Number: 668, 668T 80mm = 3 1/8" H

Newbury Stone™
60mm

Introducing Newbury Stone™, a combination of three larger scale, richly textured pavers with identical footprints but varied joint patterns.

Enjoy the beauty of a multi-shape paver design that is easy to install. When installed as a patio, pool deck, pathway, or other pedestrian application, the three Newbury Stone™ units mimic the look of 10 separate stones, resulting in a grander, more stately look.

Newbury Stone™ A

Newbury Stone™ B

Newbury Stone™ C

Product Number: 310 60mm = 2 3/8" H
17 11/16" W x 16 1/2" L

Verona™ Series
80mm

The new Verona™ Series showcases unique shapes and differentiating scale in a three-inch modular system.

The smaller chamfers and joints complement these different shapes with clean and crisp edges. A more urban style series, Verona™ Series modulates on an architectural twelve-inch centerline for the perfect match in the horizontal and vertical alignments.

Verona™ Product Number: 330, 333, 336 80mm = 3 1/8" H
330: 3" W X 18" L, 333: 9" W X 18" L, 336: 18" W X 18" L

This product is intended for non-vehicular traffic.

Verona™ Series II
100mm

The new Verona™ Series II combines two dimensionally larger shapes with a higher level of detail and finish in the jointed surface. The smaller chamfers and joints complement these different shapes with clean and crisp edge detail.

A more urban style, Verona™ Series II brings a sense of scale and congruency to any pedestrian project seeking individual expression and design innovation.

Verona™ II Product Number: 340, 343 100mm = 3 15/16 " H
340: 3" W X 18" L, 343: 5" W X 24" L

This product is intended for non-vehicular traffic.

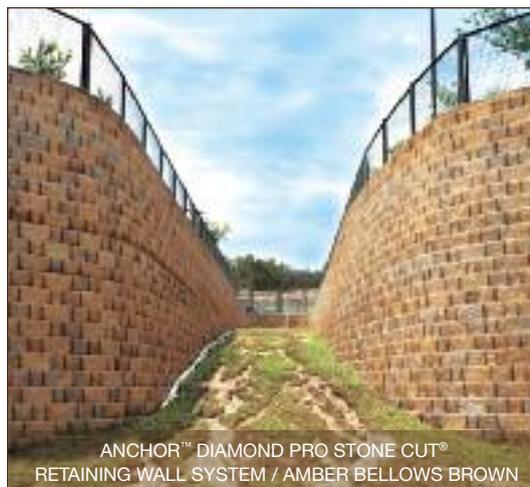

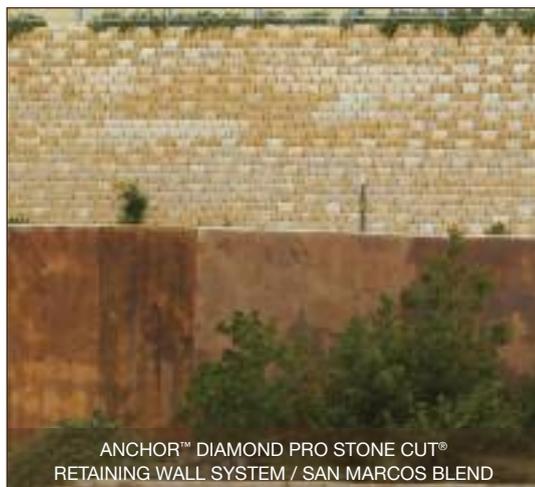

PLAZA STONE

*Chapter Two***Retaining Walls**

Whether you are designing a breathtaking outdoor entertainment area, an in-ground space for a hot tub, or a special common area that can be enjoyed by many, segmental retaining walls can help you tell your story.

Get back to nature with an outdoor space that is both inviting and stylish. Utilize natural slopes of the terrain to produce awe-inspiring architectural artwork that beautify the Earth. With a wide range of shapes, colors and textures available, you can mix and match to create unique works that enhance natural surroundings and often turn what was once unusable space into a focal point. Segmental wall systems are built to be extremely durable and resilient under even the most adverse environmental conditions. Your masterpiece will tell your story for years to come.

QUICK SHIP RETAINING WALL COLLECTION

Anchor™ Diamond®
Retaining Wall System 3-Way

The Diamond® retaining wall stone provide economy of effort in a structural, finished product.

The patented rear lip facilitates construction, as well as, ensures proper alignment and a precise setback. Diamond® is available in the distinctive beveled face style in a wide variety of colors and blends.

Product Number: 821

Anchor™ Diamond Pro®
Retaining Wall System Beveled

Utilizing the success of its predecessor Anchor™ Diamond®, Diamond Pro® takes retaining wall construction and appeal to a higher level.

With the patented rear lip design and a larger facial profile, construction, alignment and setback are facilitated. Diamond Pro® is available in the distinctive beveled face style in a wide variety of colors and blends.

Product Number: 826N

Anchor™ Diamond Pro Stone Cut®
Retaining Wall System 3-PC Combo

The Diamond Pro Stone Cut® Series has brought the latest look and appeal in architectural design with its addition of two smaller modular components.

The three-piece system separates itself by creating alternating scale and dimensions. While the system still meets the rigorous demands for both engineering and structural components, its multiple shape patterning creates new and innovative applications for site work designs.

Product Number: 3-PC Combo 835

Anchor™ Highland Stone®
Retaining Wall System 3-PC Combo

Create walls with a natural stone appearance without sacrificing stability.

The Anchor™ Highland Stone® Retaining Wall System Combo combines earthen tones, rich textures and varied contours to make it a reliable alternative to natural stone walls.

Product Number: 3-PC Combo: 876

Anchor™ Windsor Stone®
Retaining Wall System

Windsor Stone® is the perfect complement to any residential landscape design.

The low-maintenance, easy-to-install stones are the beautiful solution for projects from gardens and tree rings to curved wall projects and terraces.

Product Number: 811

Anchor™ Wall Caps

For that finishing touch in architectural detail, Wall Caps offer options to the finished design.

The caps smaller scale, used in combination with standard wall stones, provide a distinctive and unique appearance in the completed installation.

Product Number: 830

Anchor™ Diamond Pro® & Diamond Pro Stone Cut® Cap

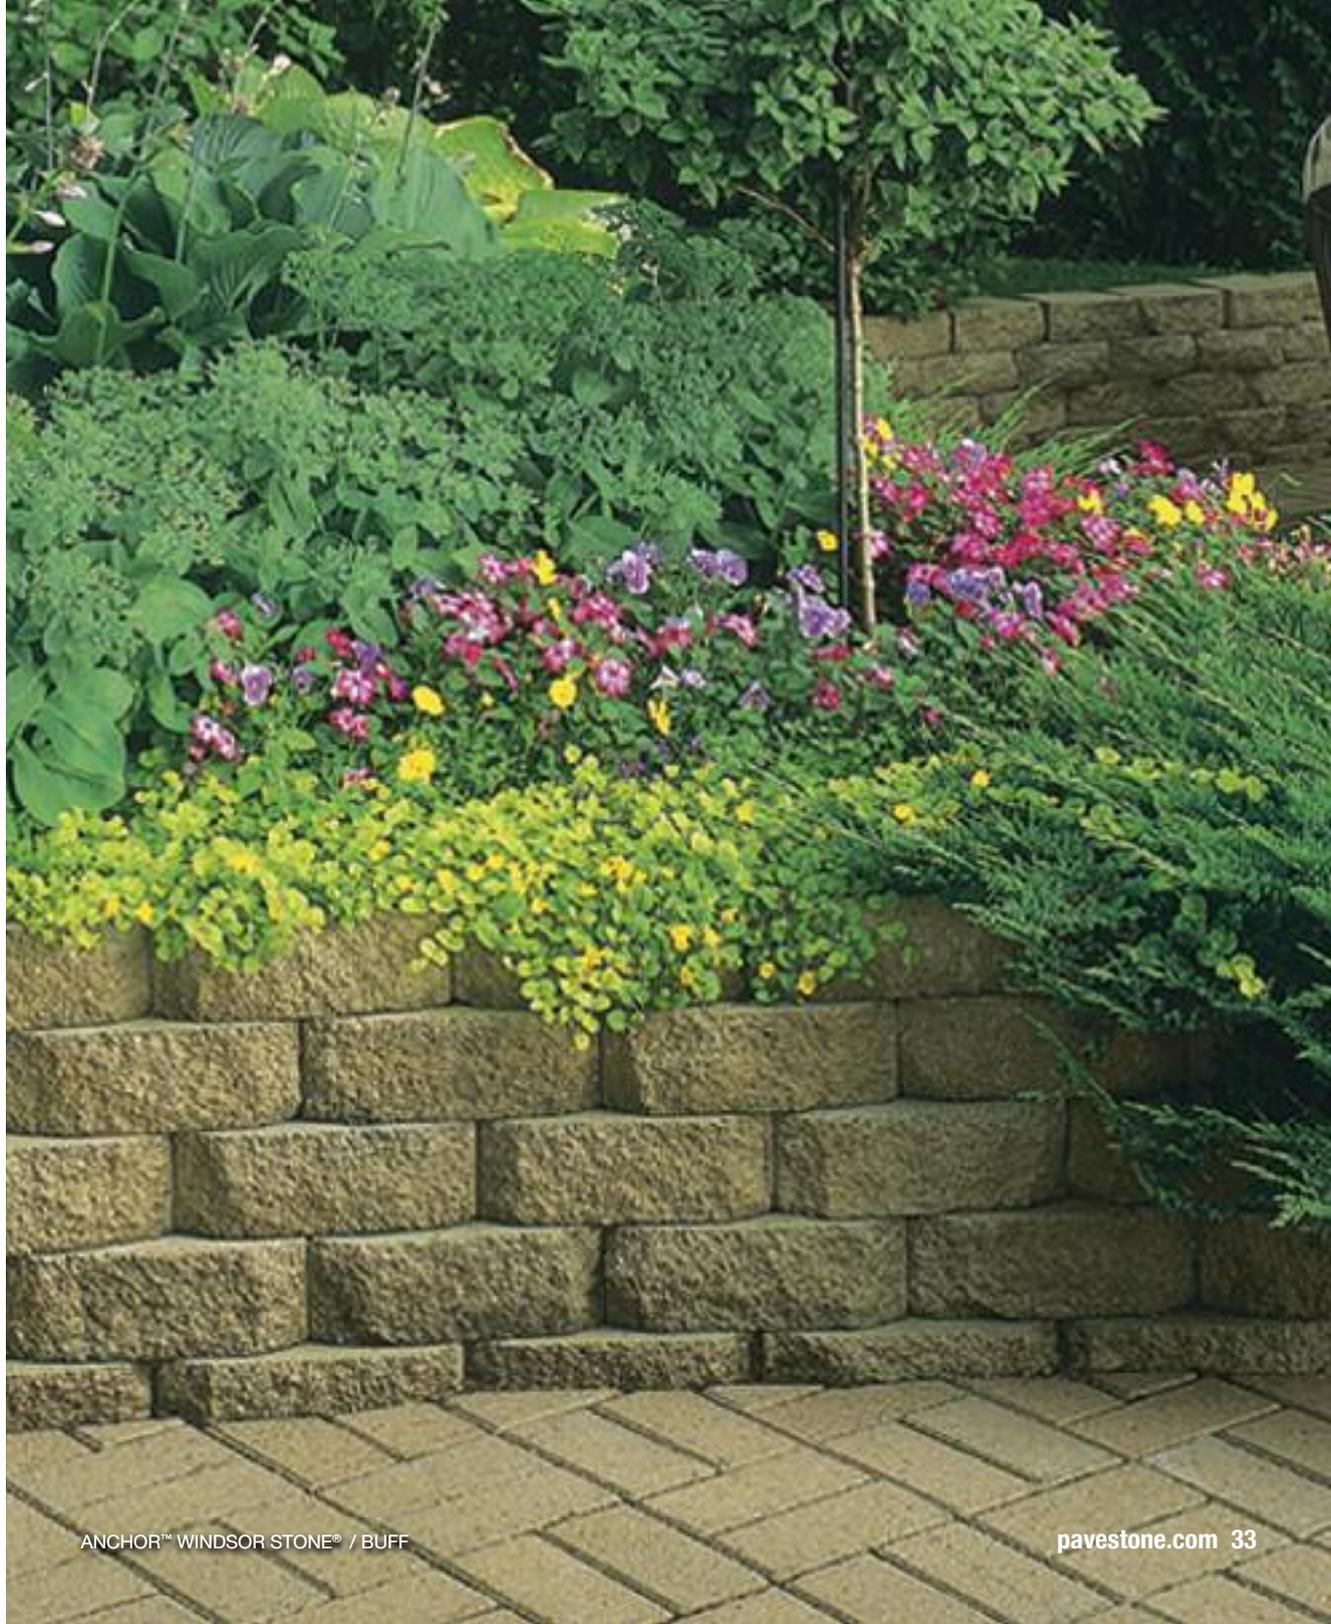

Product Number: 824

Anchor™ Diamond® Cap

Product Number: 814

Anchor™ Windsor Stone® Cap

CUSTOM RETAINING WALL COLLECTION

Anchor™ Diamond®
Retaining Wall System Straight

Diamond® retaining wall system straight shapes provide design freedom. For an attractive retaining wall with enduring performance, the Diamond product is the perfect choice.

The patented rear lip facilitates construction and ensures proper alignment and a precise setback. The Anchor™ Diamond® stone is available in the distinctive straight style and in a wide variety of colors and blends.

Product Number: 822

Anchor™ Diamond Pro®
Retaining Wall System Straight

Diamond Pro® takes retaining wall construction and appeal to a higher level.

The Anchor™ Diamond Pro® stone is available in the distinctive face styles and in a wide variety of colors and blends.

Product Number: 827N

Anchor™ Diamond Pro Stone Cut®
Retaining Wall System 18"

A full one-square-foot face complemented by a natural texture makes the Anchor™ Diamond Pro Stone Cut® a beautiful addition to any landscape.

Behind that handsome, rugged exterior is a hollow core that lightens the stone for easy handling and installation. Engineering innovation allows it to tackle the tallest, toughest wall designs.

Product Number: 818N only

Rumbled™ Wall
100mm

Capturing the old world charm, Rumbled™ Wall invites history and tradition into the modular wall product offering.

Available in a rectangle shape, simplicity and functionalism are combined. Dry stacked or mortar set, Rumbled™ Wall is easily constructed and visually distinguishes itself from the other retaining wall structures.

Product Number: 519

Anchor™ Highland Stone®
 Freestanding Wall System 3-PC Combo & Column

The new Highland Stone® Freestanding Wall System is crafted with the same earthen colors and rough-hewn texture that made Highland Stone® a top choice for retaining walls.

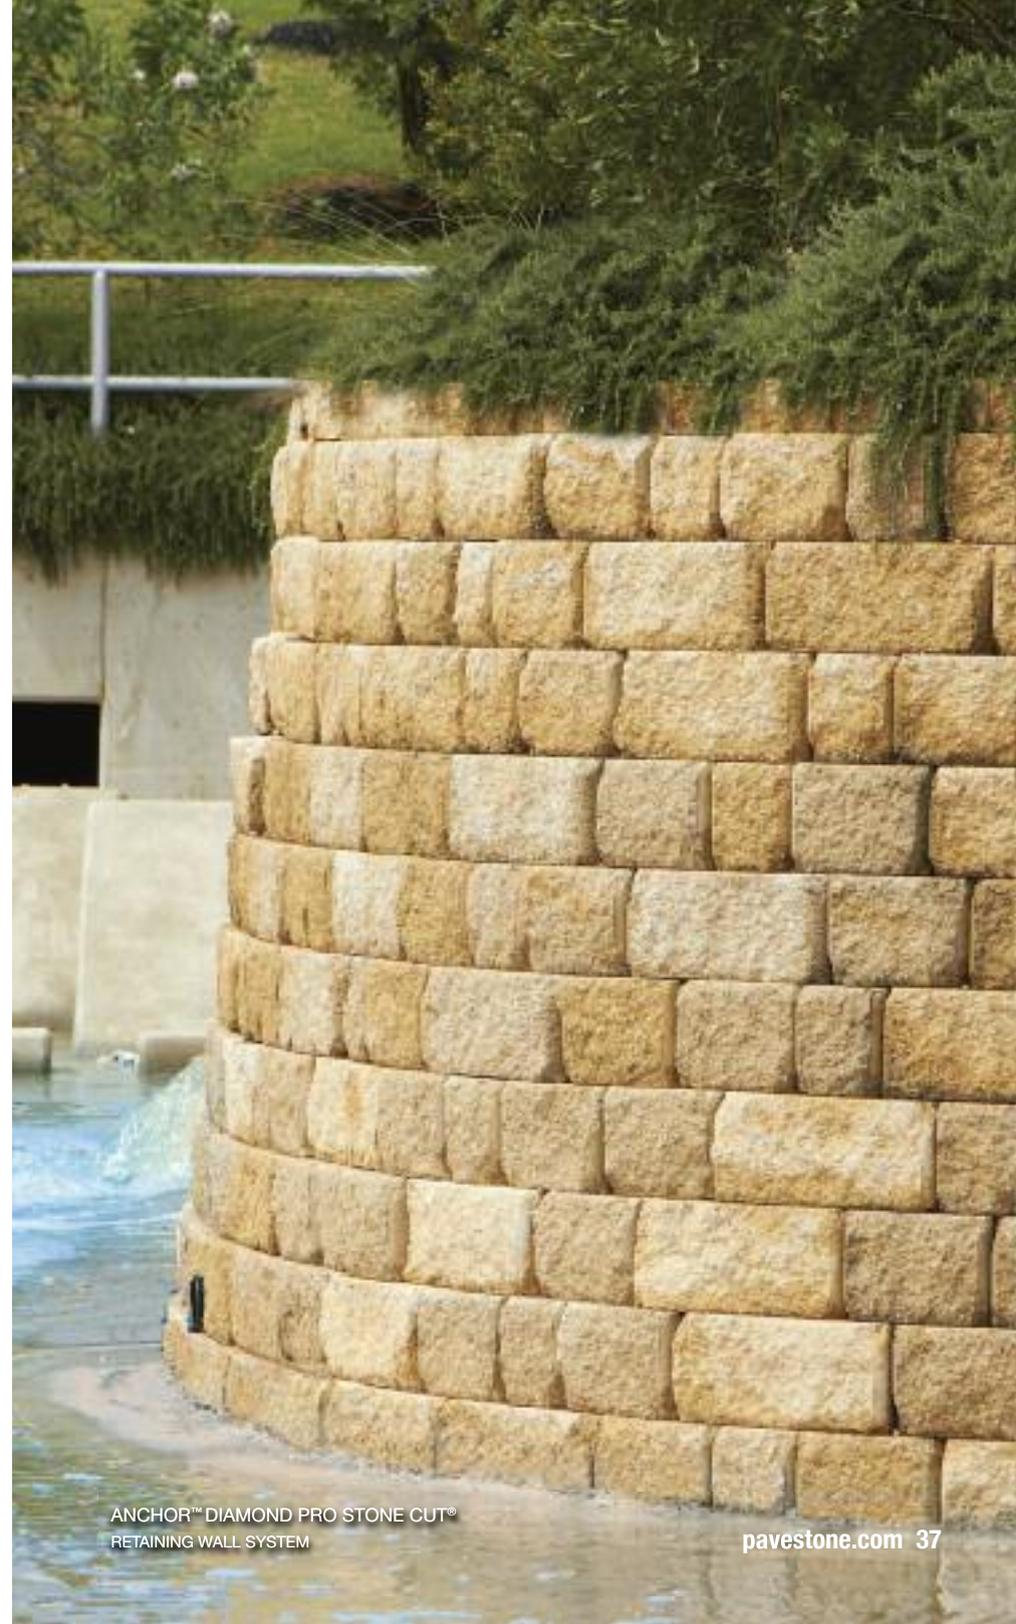

Straight or curved, the Highland Stone® 3-PC Combo is our most versatile product, yet.

Product Number: 889N 3-PC Combo

Product Number:
894 Column

ANCHOR™ DIAMOND PRO STONE CUT®
 RETAINING WALL SYSTEM

EROSION CONTROL COLLECTION

CONLOCK I®

Conlock® I & II
Erosion Control System

Conlock® I & II offers high hydraulic permissible shear resistance, significant savings in installation cost due to its expanded unit coverage, high vegetative open area, and multi-directional flexibility.

These individual units are typically hand placed. Conlock® I can be cabled after placement. Each Conlock® II unit has two interlocking ears and two interlocking sockets to provide a positive interlock.

Product Number: 1964
Conlock® I Open

Product Number: 1934 (4" thick) Open, 1936 (6" thick) Conlock® II Open
Product Number: 1944 (4" thick) Closed, 1946 (6" thick) Conlock® II Closed

Hexacon™

The Hexacon™ product is a precast interlocking articulating concrete block used for erosion control protection in various hydrological applications.

The Hexacon™ product is available in both open and closed cell configurations, offering the ultimate hydraulic stability and/or ecological benefit on critical or environmentally sensitive projects.

Product Number: 1864
Hexacon™ Closed

Product Number: 1854
Hexacon™ Open

A large, multi-tiered stone fireplace with a central arched opening where a fire is burning. The fireplace is constructed from various shades of natural stone. In the foreground, there is a patio set consisting of two cream-colored cushioned chairs with black metal frames and a round black metal table. A small lantern sits on the table. The scene is set outdoors with trees and a clear blue sky in the background.

OUTDOOR LIVING COLLECTION

*Chapter Three***Outdoor Living Collection****The Best Way to Enhance Your
Outdoor Lifestyle.**

Rekindle your outdoor living space with your choice of fireplace and fire pit designs. Large or small, elegant or rustic, Pavestone offers a variety of options to serve as a backyard focal point. Gather around a cozy fire pit for s'mores or enjoy the warmth and ambience of a grand fireplace. Combined with our seating walls and pavers, you can create an expanded living area that will serve as a favorite gathering spot for years to come.

The Pavestone Fire Pit Kits are easy to assemble... get the marshmallows ready! Our Rumbled™ Wall Fireplace Kit stacks up quickly, too. Pre-engineered FireRock masonry fireplace systems offer the structural basis for various cladding materials, including Veneerstone™ manufactured stone and thin brick. Consult your Pavestone representative for all available options for your new outdoor lifestyle.

RUMBLED™ WALL

Fireplace Kits

The Fireplace Rekindled.

Create a grand centerpiece to your Outdoor Living Space. FireRock offers outdoor fireplaces that are perfect for outdoor kitchens, patios, screened porches, and other projects.

Select a fireplace below or contact your local Pavestone Representative for other outdoor kitchen projects.

- 417.FRK-FR0736 – 36" Straight Outdoor Fireplace
- 417.FRK-FR0742 – 42" Straight Outdoor Fireplace
- 417.FRK-FROVEN – Pizza/Outdoor Oven
- 417.FRK-INSTL04 – 36" Installation Kit (mortar and firebrick for 36" Fireplace)
- 417.FRK-INSTL05 – 42" Installation Kit (mortar and firebrick for 42" Fireplace)

- 417.FRK-FR1236 – 36" Arched Outdoor Fireplace
- 417.FRK-FR1242 – 42" Arched Outdoor Fireplace
- 417.FRK-FR2505 – Black Metal Rain Cap

FireRock

FireRock Fireplaces is a leading manufacturer of pre-engineered masonry fireplace and chimney systems. The components of the FireRock system fit together easily to create an all masonry foundation that supports virtually any mantle, surrounds, veneer, stone, stucco, or other finish. They manufacture the fireplaces to be safe, reliable, and durable so you can focus on choosing the look that is right for your home or outdoor living project.

The Best Way to Enhance Your Outdoor Lifestyle.

- **Installs Fast.**

Installs in less than a day compared to 1 to 2 weeks for traditional brick and mortar.

- **Smart.**

Costs 50% less than traditional brick & mortar, and is precision-engineered to draw correctly.

- **Strong.**

3000 PSI compressive strength. The strongest on the market.

- **Stunning.**

Looks better and lasts longer than a "metal box" fireplace.

Producers of Quality Manufactured Stone & Thin Brick

Finish your FireRock fireplace with your choice of a variety of cladding materials, including Veneerstone™ manufactured stone and thin brick. Consult your Pavestone representative for available style and color options.

24" Square Fire Pit
32 pc. Rumbled™ Wall Rectangle

The Fire Pit Kit will be a great weekend project that will bring the best of memories to you and your family.

Nothing compares with the simple, timeless appeal of a fire pit, whether it's a gathering place for family and friends or a calming outdoor haven at the end of a hectic day.

- 40" Outside Diameter x 16" Height
- 1- 24" Square Insert with Removable Grate
- 32 pcs. Rumbled™ Wall Rectangle
- 7 bags Sand

Product Number: 496.SPT

Rumbled™ Wall Fireplace Kit
Simple Construction. Quick Assembly.

Our new Rumbled™ Wall Fireplace Kit includes everything you'll need to create a bold addition to any outdoor entertainment area.

CAPABILITIES: Wood, Propane, or Natural Gas. Kit includes:

- 1 - 36" Stainless Steel Fireplace Insert
- 1 - 48" Stainless Steel Fireplace Stack
- 1 - Black Chimney Cap
- 2 - 56" Galvanized Steel (2" x 2 1/8") Angle Iron
- 231 pcs. Rumbled™ Wall Rectangles
- 56 pcs. Rumbled™ Wall Squares
- 23 pcs. Pavestone 18" Caps
- 21 Tubes (10.15 oz.) of Concrete Adhesive

Product Number: 496.FP1

A man wearing a white short-sleeved shirt, dark trousers, and a black cap is using a long-handled broom to sweep sand into the joints of a paved driveway. The driveway is made of interlocking pavers, some of which are covered in a layer of sand. The background shows a garage with two large doors and a stone wall. The word "ACCESSORIES" is overlaid in large white letters across the center of the image.

ACCESSORIES

THE BEST THERE IS TO CLEAN AND PROTECT YOUR CONCRETE PAVERS AND SLABS

Treatment for Pavers & Slabs Benefits:

- Choice of wet look, natural look, or invisible protection
- Removes oil, rust, tar, efflorescence, etc.
- Protects against stains and makes cleaning easier
- Easy to use and very durable

Polymeric Jointing Sands Benefits:

- Stabilizes pavers - Follows movement
- Resists erosion - Water, frost heaving, wind, power washing, ect.
- Applied dry - Hardens after being misted
- Deters ants and other insects
- Inhibits weed growth

Polymeric Sand

RG+ Tan/Gray HP² Tan/Gray

Please also see our line of geogrids, weed barrier fabrics, fabric nails, edge restraint and spikes, polymeric sand, bagged rock, retaining wall cap adhesive, paver cleaners, and paver sealers.

SUREBOND OFFERS A FULL LINE OF SEALERS, CLEANERS, AND ADHESIVES

Choosing interlocking paving stones for your home is an investment that needs to be protected. Surebond Joint Stabilizing Sealer does just that by bonding joint sand and sealing the pavement surface. Bonding joint sand maintains the structural integrity of the system – stones won't move, sand won't wash out, and weed and ant problems are reduced. All while sealing the surface to protect it from oil, salt and food staining, as well as, maintaining the natural color of the stone.

Features & Benefits of SB-1300 and SB-7000: Water-Based Sealers and Joint Sand Stabilizers.

- **Immediate Application** - The ONLY sealers that can be applied IMMEDIATELY after paver installation.
- **Coverage** - An average of 100 sq ft/gallon and last 3 to 5 years Indoors and Outdoors, on Old and New pavements, Concrete, Clay and Natural Stone Paving.
- **UV Resistant** - Will not yellow.
- **Breathable** - Will not trap naturally occurring efflorescence.
- **Resists Freeze** - Thaw damage and will improve surface durability.
- **Solvent Free** - Meets or exceeds all VOC and EPA standards.

Maintains joint sand height, reducing weed growth. Maintains horizontal friction by bonding the sand between units.

Features & Benefits of SB-5000 STAINBLOCKING SEALER: Provide the Ultimate in Stain Protection.

- **Protective** - Resists a wide variety of penetrants including water and oil.
- **VOC compliant** - 50 g/l and safe to use.
- **Environmentally Friendly** - Water-based product will not harm plants or surrounding landscape.
- **Invisible** - Does not change the appearance of the substrate.
- **UV Resistant and Stable** - Does not yellow in sunlight and protects substrate from fading.

A woman with dark hair, wearing a blue short-sleeved top and a black skirt, is sitting in a brown wicker armchair with green cushions, reading a magazine. To her left, a young child in a light green dress is walking on a stone patio, holding a green apple. The patio is paved with rectangular, light-colored paving stones. In the background, there is a large garden bed with pink and red flowers, and a grassy lawn with trees in the distance. The scene is set outdoors during the day.

Color Variations

As in all natural materials, color in paving stones has inherent variations. Paver color is affected by the variances in the raw materials, concrete mixture moisture content, climatic conditions, and other variations. Therefore, the colors shown are approximate representations of Pavestone's paver colors but should not be expected to be an exact match of what will be delivered.

The Nature of Efflorescence

Another cause of color variation in pavers may be the natural phenomenon called efflorescence. Efflorescence, a deposit of white salts consisting of mostly calcium carbonate, may appear as a white powder on the paver surface and in no way affects the structural integrity. This phenomenon occurs in all concrete and although it cannot be completely prevented from occurring, efflorescence generally will weather off and disappear over time or can be removed with cleaners at the job site.

NOTE: Not all colors are available in all products.

Colors shown in this chart are available only from San Marcos, Texas manufacturing plant.

RETAINING WALL SPECIFICATIONS

Retaining Wall Specifications & Pallet Information

Anchor™ Diamond® Beveled Retaining Wall System

Nominal Dimensions: 15 7/8" L x 12" W x 6" H
 Stones/Pallet: 45
 Weight/Stone: 68 lbs.
 Weight/Pallet: 3,060 lbs.
 Face Ft./Pallet: 30
 Batter: 10.6°
 Product Number: 821

Anchor™ Diamond® Straight Retaining Wall System

Nominal Dimensions: 17 1/4" L x 12" W x 6" H
 Stones/Pallet: 45
 Weight/Stone: 72 lbs.
 Weight/Pallet: 3,240 lbs.
 Face Ft./Pallet: 31
 Batter: 10.6°
 Product Number: 822

Anchor™ Diamond Pro® Retaining Wall System

Straight

Nominal Dimensions: 18 5/8" L x 12" W x 8" H
 Face Ft./Stone: 1
 Stones/Pallet: 45 lbs.
 Weight/Stone: 86.6 lbs.
 Weight/Pallet: 3,870 lbs.
 Face Ft./Pallet: 45
 Batter: 7°
 Product Number: 827N

Anchor™ Diamond Pro® Retaining Wall System

Beveled- 3 way

Nominal Dimensions: 17 7/8" L x 12" W x 8" H
 Face Ft./Stone: 1
 Stones/Pallet: 45
 Weight/Stone: 80 lbs.
 Weight/Pallet: 3,600 lbs.
 Face Ft./Pallet: 45
 Batter: 7°
 Product Number: 826N

Anchor™ Windsor Stone® Retaining Wall System

Nominal Dimensions: 11 5/8" L x 7" W x 4" H
 Stones/Pallet: 144
 Weight/Stone: 24 lbs.
 Weight/Pallet: 3,456 lbs.
 Face Ft./Pallet: 48
 Batter: 10.6°
 Product Number: 811

Rumbled™ Wall

Rectangle

Nominal Dimensions: 16" L x 8" W x 4" H
 Stones/Pallet: 70
 Weight/Stone: 41 lbs.
 Weight/Pallet: 2,870 lbs.
 Face Ft./Pallet: 31
 Product Number: 519

PAVESTONE COMPANY, LLC Limited Lifetime Guarantee of Quality

Pavestone Company, LLC hereby provides to the original purchaser a lifetime guarantee that its concrete paving stones purchased by the purchaser and installed for residential use will be free from defects in workmanship or materials given normal use and care. Concrete paving stones installed according to ICPI standards, and properly cared for that prove defective will be replaced without cost, except that Pavestone Company, LLC will not be responsible for labor, transportation costs or equipment costs. Warranty covers product only. Pavestone Company, LLC does not guaranty color matching nor does it assume responsibility for damage or defects arising from improper installation, abuse or the alteration or application of any other materials to its concrete paving stones. To obtain performance under this guarantee, the purchaser should contact Pavestone Company, LLC at 2501 N. Harwood Street, Suite 2600, Dallas, Texas, 75201, telephone number 1.800.245.PAVE. This guarantee gives the purchaser specific legal rights, and the purchaser may also have other rights that vary from state to state.
